**847-356-7854**

Even though it is still cold outside, spring baseball and softball registration is currently underway and will soon come to an end. With over 900 children in our program, join one of Lake County's premier baseball and softball organizations. We have access to and maintain over 20 ball fields in the Lake Villa/Lindenhurst Area.

We have baseball and softball programs for ages 5 to 20 years old. Our online registration is available at the above website and we accept cash, check, Visa, MasterCard, and PayPal. No resident requirements!
