

LAKE VILLA TOWNSHIP BASEBALL & SOFTBALL

Baseball & softball registration is UNDERWAY and will soon come to an END!

We have baseball and softball programs for ages 5 to 16 years old. With over 700 children in our program, we are the Lake County's premier baseball and softball organization. With no residential requirements – DON'T MISS YOUR OPPORTUNITY TO JOIN!

Ratings day will be held on March 3rd and we will move quickly into team drafts and assigning teams. To ensure we can properly organize, we STRONGLY encourage our families to register by February 28th as league fees will increase by \$25 come March 1st.

To register online, simply visit www.LVTB.org. Payments can be made via credit card, or by printing out a registration form and mailing it in with a personal check. **Players will not be officially registered or placed on a team until payment is received.**
